## PARTNER PERSPECTIVE

“For the children and youth at FamilyPoint Resources, attending Camp OTX is truly **life-changing**. This opportunity surrounds them with encouragement and caring role models, offering a much-needed break from the daily worries, fears, and stress they face. They return home with **renewed joy, a ‘can do’ mindset, and the motivation to thrive at school, at home, and in our programs**. Most importantly, the lasting friendships and powerful experience of God’s unconditional love lay a foundation of hope that continues to transform their futures.

To receive a scholarship to Camp OTX, our participants must stay actively involved in our programs and volunteer throughout the year. They understand that a camp scholarship is a privilege—one they earn by holding themselves and each other accountable. This creates a powerful ripple effect: not only do they gain the life-changing experience of overnight camp, but they also stay connected and engaged in FPR after-school programs that support them every day.”

# PLANT A SEED, WATCH IT GROW.

The journey, from camper to leader to counselor, creates a ripple effect of growth, discipleship, and lasting Kingdom impact—multiplying Christ-centered leaders who will influence the world for years to come.

## CAMPER

The camper experience is where the first seed takes root—cultivating faith in Jesus, building confidence, and fostering a deep sense of belonging. Since 2006, Ozark for All has given over 6,000 campers a chance to experience the life-changing power of summer camp—offering one unforgettable week at the end of summer at Camp Ozark or Camp OTX.

## CAMPER LEADERSHIP TEAM

As campers step into the Camper Leadership Team, that seed begins to grow and mature through responsibility, service, and the practice of servant-hearted leadership.

## OZARK LEADERSHIP INSTITUTE

OLI then provides a season of intentional growth, an 8-month journey that helps students reset their worldview with Christ firmly at the center. Through biblical training, leadership development, and life in community, they are equipped to live out their faith with boldness and authenticity.

## COUNSELOR

Finally, stepping into the role of counselor is the full-circle moment—the harvest. The lessons once planted in their hearts now flow through them to impact the next generation of campers. And so, the cycle continues: seeds of faith become roots of discipleship, which bear fruit in the lives of others.

**Together, we've touched the lives of thousands, providing transformational experiences that reflect the heart and mission of Ozark for All. This past year, kids discovered new passions, conquered fears, formed lifelong friendships, and experienced the joy of simply being kids.**

**As we look to the year ahead, we are inspired by the opportunity to welcome even more campers, build new partnerships, and create lasting memories. We are confident that God will continue to work through this ministry, changing lives one camper at a time.**
